Welcome to Bentham Open

BENTHAM *Open* publishes a number of peer-reviewed, open access journals. These free-to-view online journals cover all major disciplines of science, medicine, technology and social sciences. BENTHAM Open provides researchers a platform to rapidly publish their research in a good-quality peer-reviewed journal. All peer-reviewed accepted submissions meeting high research and ethical standards are published with free access to all. ([read more](#))

Note: Average publication time of 18 days between final acceptance of revised manuscript and its publication

Endorsements

"Open access will revolutionize 21st century knowledge work and accelerate the diffusion of ideas and evidence that support just in time learning and the evolution of thinking in a number of disciplines."

Viewers Conferences Contact Help About

The screenshot shows the Bentham Open website interface. At the top, there is a navigation bar with links for Home, About Journals, Information for Authors/Reviewers, Conferences, Contact, Help, and About Us. Below this, there is a search bar containing the text 'transplantation'. The main content area displays search results for 'The Open Urology & Nephrology Journal'. The first result is a special issue titled 'Advances in Pediatric Renal Transplantation' from 2014, published in 'The Open Urology & Nephrology Journal'. It includes details like the electronic publication date (11/12/2014), collection year (2014), publisher ID (TOUNJ-7-113), and DOI (10.2174/15671304014070100113). There are buttons for 'View Abstract', 'View Fulltext', 'Download PDF', and 'Download ePub'. Below this, another result is shown for 'Progress in Pediatric Kidney Transplantation' from 2014. A 'Browse Contents' sidebar on the right lists volumes from 1 to 11. The Bentham Open logo and 'Opening Access to Science' tagline are visible at the top of the page.
