Etymology: < classical Latin *magnitūdō* < *magni-* MAGNI- *comb. form*+ *-tūdō* -TUDE *suffix*. Compare Middle French *magnitude* (a1374).

Use as a synonym for *size* has been criticized by some writers in second half of 20th cent.; use in phrases at 3b has similarly been criticized as a cliché.

About Advanced Search  
The Advanced Search allows you to search for complex and specific words and phrases. It searches for words in the senses, or within specific parts of speech, or within specific dates, or within specific subjects. Use the drop-down menus to restrict your search, e.g. to find words used in a specific definition, etymology, or to find words used in a specific part of speech. Search entries using the Subject of Origin, Usage, or Part of Speech boxes. Enter a year or range of years, e.g. -1500, to restrict your search to a specific date. Use the Entry search within the dictionary to find entries with "c\*" to find entries with "c".
